

Stimulus Tax Credit- Qualified Garage Doors

To be eligible for Federal Tax Credits, qualifying garage doors must be installed into an insulated garage. An insulated garage is one where the outside walls are insulated. For all NFRC ratings, visit www.jeld-wen.com/performance ratings.

| Garage Doors | | | |
|---------------------------|-------------------|----------|------|
| SERIES | GLAZING | U-FACTOR | SHGC |
| Estate and Carriage House | Opaque (no glass) | 0.26 | 0.00 |
| Traditional | Opaque (no glass) | 0.27 | 0.00 |
