

This Manufacturer's Certification Statement is provided to certify that JELD-WEN windows, patio doors, and exterior doors identified on our website as Products Eligible for Stimulus Tax Credits meet the specific energy efficiency criteria in Internal Revenue Code, Section 25C, as it is applied in the American Recovery and Reinvestment Act (ARRA). Each JELD-WEN product so identified has a U-Value (or U-Factor) and SHGC rating of 0.30 or lower.

This certification statement should be retained by the taxpayer as it may be requested from the Internal Revenue Service (IRS) in the event of an audit. It is also necessary for taxpayers to retain the purchase receipt and the NFRC label for each eligible product showing a U-Value (or U-Factor) and SHGC rating of 0.30 or lower.

Homeowners should always consult with their tax advisor to confirm that they qualify for the tax credit. This document is intended solely to certify that the identified products meet the energy criteria, and not as an assurance that a homeowner will qualify for the tax credit.

For specific information on how to qualify for the tax credit, and which JELD-WEN products meet the energy criteria, please visit our website at www.jeld-wen.com/taxcredit.

Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts are true, correct, and complete.
